## Now Is The Time

Every month I write about events happening at our Temple, whether religious or social. Many congregants tell me that they enjoy reading the Bulletin articles, whether mine or the clergy, so I know people see them and read them. However, I'd like to see more members respond by attending.

**NOW IS THE TIME** to act on what we say.

In these days, when we are being besieged from many sides for our religion, our loyalty to Israel, and our history, it is very important to remember who we are and for what we proudly stand.

Those who visit our sanctuary for the first time are awed by the two great pillars with the Ten Commandments. They stand out as a proclamation of our loyalty to G-d and our commitment to following his laws. They are the essence of what it means to be a Jew.

This is our heritage and we should proudly proclaim it.

I have written about the need for volunteers and workers. Some have responded, but not enough. We have several committees that need volunteers. The meals for our dinners do not make themselves. Planning for special services and the High Holiday services do not just happen. Please see the listing of committees on page 8 and join at least one if you are able.

Our Annual Congregational meeting will take place on June 17. It is important that you come and learn about what is happening in your Temple. Questions and suggestions are always welcome.

At our Delaware building, the new foyer floor, board room and other improvements are beautiful. Please come and see what has been accomplished. We owe a big debt of gratitude to those whose donations and work have made these things possible. **This was all done for you**.

Those of us presently engaged in governance and volunteering cannot do it all alone. Everyone needs to share, whether through participation or donations.

Please join with our staff, our clergy and your fellow congregants in enjoying the beauty of our holidays, our worship events and many other activities. This is your Temple. Please come and enjoy the many other programs and events listed elsewhere in this Bulletin and on our website and weekly e-blasts. **NOW IS THE TIME** to come forth.

I hope to hear from you and to see you soon. Thank you.

## Bringing People Together: TBZ Meet Ups

A wonderful summer starts at TBZ because we are finishing an extraordinary year together.

On May 17, Temple Beth Zion wrapped up an extremely successful inaugural year, once again holding Religious School at the Broder Center. Enrollment increased by 30%, and we sustained record attendance throughout the year. Even more importantly, our children did not simply "attend" Religious School. They came with whole hearts, whole souls, and ready hands. Buffalo finally has a Religious School that children love! Some even have to drag their parents to temple on Sunday morning!

That is the kind of problem we are lucky to have.

Our families have loved spending time together so much, we are carrying that energy into the summer with a full slate of TBZ Family Summer programming and Meet Ups. From Crown Hill Farm to Billy Wilson Park, from Centerland Shabbat to Food Truck Shabbat and our End of Summer Chiavetta's Chicken Dinner. The enthusiasm for these gatherings is a sign that TBZ is vibrant and growing: relationships are deepening, families are connecting, and Jewish life is blossoming in Buffalo.

That's why our member's attendance at this year's Temple Beth Zion Annual Meeting on June 17th is especially important. We will be sharing a detailed vision for our congregation. We are a learning congregation–learning to be leaner, more focused, and more mission-driven. We are crafting a vision that recognizes the challenges facing Jewish life in Western New York, while thinking boldly. A vision for strengthening our school, deepening our culture of care, growing our partnerships, and maintaining the spiritual heart of Jewish Buffalo for generations to come.

Our Religious School's success is not a side story. It is proof of concept. When we invest in children, families, music, meals, worship, friendship, and meaningful Jewish experiences, people respond. When we create a place where families want to be, we are not merely planning events. We are building the future.

So bring your children. Bring your friends. Bring your energy. And on June 17, come to the Annual Meeting.

Because what we are building at TBZ is worth showing up for.

## The Next Chapter

This past year, our congregation had the unique opportunity to create a brand-new Religious School. We took the time to thoughtfully assess the needs of the Temple Beth Zion community to ensure that our school would meet—and hopefully exceed—expectations. Our goal was to serve the diverse needs of our students through a broad-based curriculum rooted in tradition, spirituality, and a meaningful understanding of how to live a Jewish life.

As I look back on our first year, I am proud to say that we successfully met these goals. We have received wonderful feedback from families, sharing that students look forward to coming to Religious School and are eager to talk with their parent(s) about what they are learning. Each week, I have witnessed thoughtful projects, acts of kindness, and a genuine spirit of helping others.

We were also fortunate to offer several special programs this year, including Yom Ha'Atzmaut at the JCC, a visit to the Jewish Museum of Buffalo, and our recent "Religious School in the Shul" experience. During this program, each class participated in a service, while our Cantor and Rabbi helped students and families better understand the different parts of worship. As our students prepare for B'nai Mitzvah, we also offered a Shabbaton to help families understand their roles and how we support them throughout every phase of the process.

Over the summer, we will be preparing the school for the coming year—cleaning and organizing our spaces, reviewing and refining both Judaic and Hebrew curricula, planning meaningful family days and special programs, and exploring new ways to engage with the broader Jewish community. We will continue our Youth Choir, welcoming students through 8th grade, and we are excited to develop a Madrichim program that allows our 8th graders to continue their Religious School journey by assisting in classrooms each week.

As my term as Interim Director comes to a close, we have begun the search for a new Religious School Coordinator. I will continue to support the school during this transition and beyond in a reduced role—assisting with Aleph Champ, event planning, substitute teaching, and other needs as they arise. If you or someone you know is interested in the position, please feel free to reach out. The posting can be found at https://www.tbz.org/about-tbz/careers-tbz/, and résumés may be sent to **education@tbz.org** for review by the Search Committee.

## A Small Step That Makes a Big Difference

*Hachnasat Orchim* (welcoming guests) is a core Jewish value. It calls on us to create a warm, comfortable, and inclusive environment for all who join our services and events. As a community, we are at our best when we extend that sense of welcome to both members and guests.

At the same time, being part of a community comes with shared responsibilities. One important way to support these efforts is by RSVP'ing or registering for events in a timely manner. While "there is always room for one more," several last-minute additions can quickly add up.

Our volunteers and staff work hard to ensure every event is enjoyable and well-prepared. Having accurate expected attendance numbers helps them plan appropriately—whether that means ordering the right amount of food, arranging seating, or preparing materials. It also helps us manage costs responsibly and reduce unnecessary waste.

When you receive the Bulletin or event emails, please take a moment to note RSVP deadlines and sign up accordingly. Your cooperation truly makes a difference and is greatly appreciated.

Thank you for helping us continue to build a warm and welcoming community.

## *Honorable Menschen*

To our wonderful TBZ Choir and Cantor Susie for a tremendous season of beautiful music, spirit, and dedication. Join us as they sing their final service of the Jewish year on Friday, June 12.

To the TBZ Culinary Committee for hosting a delicious 'Israeli history and multicultural breakfast for dinner'. On April 17. Many of the more than 75 attendees shared compliments and thank yous to the committee members for all the work, and dinners, and other contributions throughout the year.

Thank you to all the volunteers who came in and helped prep, cook, serve, bake and clean up: Adiel Hyman; Andrew Hyman; Ken Graber; Adrianne Graber; Anna Marie Richmond; Clareanne Silver; Debra Chernoff; Ellen Goldstein; Errol Sull; Michele Lash; Sara Schultz; and Sue Stone. Thanks, especially, to Frankie-Lynn Silver and Amy De Lury for coordinating the evening and all their hard work in the kitchen. This committee rocks!

To the JCC for letting us borrow their grills and bounce house for the baseball-themed reception following the Sweet Singers Stained Glass Concert on May 17.

## BINGO!

*On April 18, Sisterhood sponsored a fun-filled evening at Broder, bringing together about 50 adults and children for a warm and meaningful Havdalah and Bingo event.*

*Rabbi and Cantor (along with a few children from the Youth Choir), led us in songs and prayers over the wine, fragrant spices, and braided candle as we marked the end of Shabbat and welcomed a new week.*

*Following Havdalah, Ken Graber kept the energy high as our bingo caller, and the fun began! Sisterhood members generously shared their homemade cookies and other sweet treats—delicious fuel for lots of lively rounds of bingo. Congratulations to our 30+ winners!*

*It takes a lot of people to plan and execute a successful event. Thank you to the clergy, office staff, and facilities team, as well as our incredible volunteers—our bingo caller, bakers, setup and cleanup crew, and gift card donors. We couldn't have done it without you!*

## Jewish Genealogical Society of Buffalo (JGSB)

The Jewish Genealogical Society of Buffalo (JGSB) is an organization whose goal is to educate the Jewish community so that they may acquire the skills needed to successfully find information about their family histories and leave a legacy for future generations. We can assist with how to find information, the rules and standards of searching, and how to document your findings.

The group was founded in 1986, and we are currently looking for new members. We are working closely with the soon-to-open Genealogy Center at the new Jewish Museum of Buffalo, located within Temple Beth Zion on Delaware Ave., to bring speakers to Buffalo.

The JGSB is actively involved in JewishGen (jewishgen.org) Online Worldwide Burial Registry's (JOWBR) mission to document the graves of Jews around the world. We have volunteers that photograph Jewish monuments in local cemeteries and then send photographs and data to JOWBR.

We are looking for interested people to assist us in taking the photos in the cemeteries (May to October when there is little inclement weather). To upload the pictures, it is best to have a digital camera.

Please email JewishGenBuffalo@gmail.com to volunteer, or for membership information.

## Temple Beth Zion Committees 2026

Our TBZ Committees and contact information for each are listed below. We are always looking for more volunteers to help with these areas and others.

We hope you will select one or two areas you are interested in learning about, and contact the Chair to find out more about their mission and needs.
